February Bingo!

Thank you for downloading February Bingo! This game can be played in variety of ways to address different goals. Here are some ideas, but feel free to be creative and add your own spin!

The basic game is played by giving each student a board and some game markers (not provided), and then pulling the bingo call cards one by one. Each picture that is called is marked, and when a student has 3 in a row, they call a bingo.

Speech

- Use a carrier phrase with your target sounds in it to call the cards, or for students to say when they mark each picture on their board

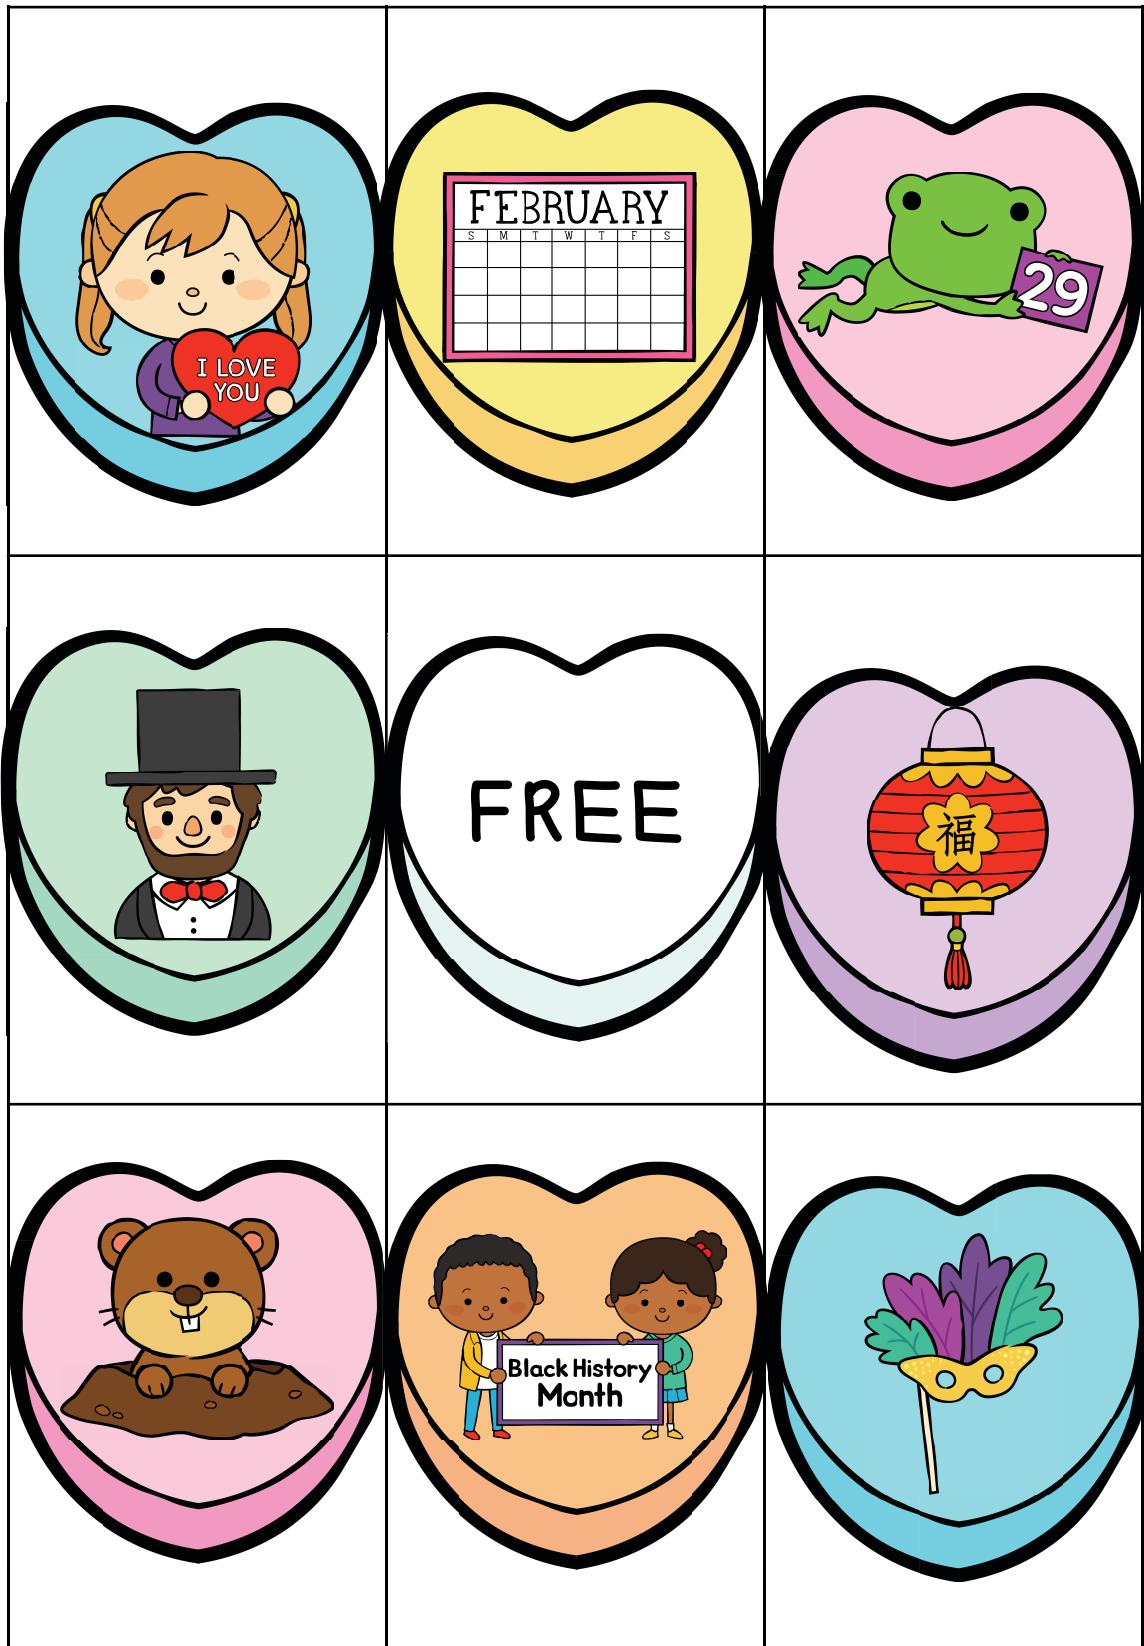

Language

- Describe the cards as you call them instead of giving the name of the picture
- Have students take turns calling the cards and describing the pictures

Phonological Awareness

- Have students count syllables or name beginning/ending sounds in names of the pictures
- Give students the name of the picture in phonemes, and have them blend it together to form a word

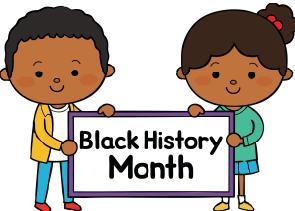

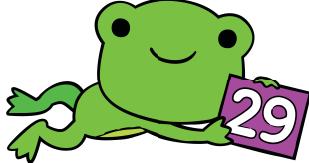

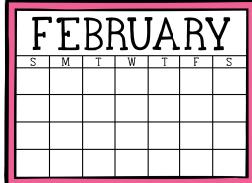

Bingo Call Cards

 <p>Black History Month</p>	 <p>President's Day</p>	 <p>Valentine's Day</p>
 <p>Chinese New Year</p>	 <p>Groundhog Day</p>	 <p>Leap Year</p>
